Dear Mr. Puhl and Dr. LeMura:

Congratulations! The Exercise Science major in the Department of Health, Physical Education, and Athletics at Bloomsburg University is the *fifth* academic institution in the United States to be recognized as an accredited academic program of study for exercise physiology. The accreditation decision carries with it the awesome responsibility, as faculty and administrators, to undertake several significant changes in the form of recommendations. The Board of Accreditation is convinced of the leadership and vision of the administrators to educate the students in your program as exercise physiologists, having graduated from an accredited exercise physiology program.

Sincerely,

Dear President Soltz:

Congratulations! As a result of the comprehensive evaluation of your institution's Athletic Training Education Program, including a self-study and on-site visit, the Commission on Accreditation of Athletic Training Education (CAATE) has voted to award **Initial Accreditation** to the entry level masters Athletic Training Education Program at Bloomsburg University in Bloomsburg, Pennsylvania. Your program has met **all** of the nationally-recognized Standards for Entry-Level Athletic Training Education that were established with support of the following sponsoring organizations: the American Academy of Family Physicians, the American Academy of Pediatrics, the American Orthopaedic Society for Sports Medicine, and the National Athletic Trainers' Association, Inc.

As a result of this award, your Athletic Training Education Program's **next comprehensive review**, including a self-study and on-site review, is scheduled to occur during the **2014 - 2015 academic year**.

The Commission on Accreditation of Athletic Training Education commends the faculty, staff, and administrators at Bloomsburg University for your commitment to the advancement of quality education in Athletic Training, as well as your dedication to the preparation of highly qualified Athletic Training professionals.

Sincerely,

Greg Gardner, EdD, ATC
President, CAATE
