### Courses Not Used Throughout Degree Audit - College of Science and Tech (RG1011)

#### ▼ Not Used Coursework Throughout Degree Audit Report (RQ 156)

##### Not Used Coursework

#### Courses Not Used to Fulfill Major or General Education Requirements

[View Courses](#)

##### Courses Not Used to Fulfill Major or General Education Requirements

This may include courses that are being used toward completion of:

University Requirements

Free Electives

But are NOT being used to fulfill:

Major Requirements

General Education Requirements:

\*Courses with partial units may appear here because only part of the courses unit value is being used toward a Goal.

**Click here to view Not Used Coursework. This will vary depending on the major of the student and the coursework they have taken. It is comprised of 3 areas as described in the summary of the components of the degree audit at the end of this tutorial**

## **Components of the Degree Audit**

### **University Requirements**

- Apply to every undergraduate student.
- Minimum GPA of 2.0.
- Students in the College of Education require a minimum GPA of 3.0.
- Residency Rule; 30 of the last 60 units must be earned at BU.
- Minimum Units; AT LEAST 120 units must be earned for the Undergraduate Degree. Some majors require more than 120, this will be shown on the report based upon the major of the student.

### **Major Requirements:**

- Major required courses; a set group of courses that must be taken.
- Major elective courses; a set group of approved courses the student may choose from to complete a set number of credits.
- Major GPA: is calculated using all courses that may be used to complete the major
- Major Residency: at least 50 % of the total credits required by the major must be take at Bloomsburg University

### **General Education Requirements:**

- MyCore consists of the ten Goals for Student Learning Outcomes.
- Goals 1-10 Foundation-Required courses consists of Foundation courses and any courses required in General Education by specific majors.

### **Not Used Coursework:**

- Courses not used toward degree completion are those course that are not being used to fulfill University – Major – General Education requirements.
  - Courses not eligible contain courses the student attempted but either withdrew from or failed, developmental courses under the 100 level that do not count toward graduation.
  - Courses not used to fulfill major or general education requirements are those courses taken after 121 credits have been attained but are not being used to fulfill the major or goals.
- 
- QUESTIONS or CONCERNS regarding your degree audit and progress toward graduation should ALWAYS be addressed with you Academic Advisor first.
  - ALWAYS consult with your Academic Advisor before making decisions related to your academic requirements.

## GEP Scorecard:

- The scorecard displays a summary of the MyCore Goals and the student progress toward completion of them.
- Goal 8 requires 0 under units needed due to the 0 credit language placement test.
- Goal 8 will either display YES or NO in the MET column. No meaning a course still needs to be taken.

The screenshot shows the Bloomsburg University My Husky portal. The left sidebar contains a menu with the following items: Schedule, Dashboard, Class Information, Enrollment, Academics (expanded), Programs, Test Scores, Degree Audit, GEP Scorecard (highlighted with a red arrow and a checkmark), What-If, Course List, View Unofficial Transcript, Grades, Advisor Information, and Transfer Credit. The main content area displays the 'MyCore - GEP Requirements - ScoreCard' table. The table has columns for Goal Descr, ID, Last, First, Middle, Report Date, Units required, Units Used, Units needed, Met?, Verify Descr, and Rq Group. The table lists 10 goals, with Goal 8 showing 0 units needed and 'Yes' in the Met? column. A red arrow points to the 'GEP Scorecard' link in the sidebar with the text 'Click on GEP Scorecard to display.'
